### Delegates From Lac La Biche, Boyle, Meanook, Abee, Newbrook

By Mrs. Fred Creighton

LAC LA BICHE — The Women's Institute convention of District 2, was held last month in the community hall at Meanook. Though the temperature soared in to the 90's, some 50 ladies representing Abee, Newbrook, Boyle, Meanook, Amber Valley and Lac la Biche enjoyed the activities of the day.

The date of July 23 was chosen rather hastily to enable Mrs. Myrtle Roberts of Drumheller, our new vice-president to be present as she had come to Edmonton to attend the luncheon given by Premier Manning for the Royal Couple.

The two ladies who attended the Convention from Lac la Biche were grateful to Mrs. D. Jones for a ride to Meanook when Mrs. Jones went to Athabasca for a holiday. After a few enquiries along the way, since no signs showing the direction of Meanook were to be found, the ladies arrived at the Hall to find it a beehive of activity. Some of the hostesses apologized for not being fully prepared but it was learned that a tiny child had wandered away from its home that morning and several ladies had dropped their work and joined in the search for the child, who incidentally was soon found and returned to his home unharmed.

The Convention soon got underway with Mrs. F. C. Bolton, Abee, the new president, presiding. Mrs. Wm. Prather of Abee as secretary, Mrs. S. E. Thorne, Ft. Sask. newly appointed director for District II and Mrs. R. C. Mead, Vermilion, provincial chairman of education addressed the meeting.

#### REPORT ON PROJECTS

Following the reading of the minutes of the 1959 conference and the hearing of the financial report, the reports of the Social Service convenor, Mrs. Macdonel was read. Projects carried out by the various groups included packing parcels for overseas and Christmas hampers, treats to old age pensioners

and inmates of Homes for the aged, supplying layettes to the first baby of the year, visiting the sick, helping with Cancer Canvasses and T.B. tests.

The ladies adjourned for lunch and a pleasant hour was spent enjoying the very tasty luncheon served by the Meanook group.

When the meeting was called for the afternoon session, one minute of silence was observed in memory of a 91 year old WI member of Abee who had passed away recently.

It was decided to send get-well cards to five members from the various groups who were in hospital at the time of the Conference. Mrs. E. Cunningham of our own branch was one of these, having had the misfortune to be involved in a car accident in the city just a day or so before the Conference.

#### BOYLE REPRESENTED

Mrs. E. M. Thompson of Boyle read the reports on Citizenship submitted by the different branches. These included studies on such topics as the importance of voting, and the United Nations. Mrs. Mann of Amber Valley read reports on health.

Mrs. R. C. Mead, provincial chairman of education described the Study Discussion Course offered by the Dept. of Extension to all groups. This course consists of study books on such topics as "aging is everybody's business," "your child and you" and "Canada and world affairs." A film accompanies the course.

Miss Alma Brown of Meanook entertained with a piano selection

## THE Homemaker

By BERTHA  
M. McCUTCHEON

What could be more fun than a  
picnic? Picnics are both stimulat-  
ing and relaxing. Perhaps the ap-  
petite is stimulated most of all.  
Whether the equipment taken is  
elaborate enough to fill the trunk  
of the family car or consists only of  
a basket of packed  
food, the less work  
involved the bet-  
ter. Some families  
prefer to cook at  
the picnic spot  
while others like  
to pack cold  
lunches or hot  
B. McCutcheon foods.

Picnic menus are best if simple  
but hearty. Food may include  
dishes that can be grilled, fried,  
barbecued, stewed or broiled over  
a camp fire. But don't burn the  
food. Learn what type of fire is  
best for cooking by the method  
you wish to use. Generally a good  
bed of coals is best for cooking  
purposes.

For preparation over hot coals,  
bacon, small steaks, frankfurters,  
ham, chops, hamburgers or chick-  
en require only a small amount of  
effort. In small groups each person  
can cook his own but in large  
groups it is better to let someone  
who enjoys cooking outdoors be  
the chef for the day.

Potatoes may be roasted in the  
fire, a salad or relishes make pleas-  
ing accompaniments. Corn may be  
boiled or roasted. Chilled foods  
such as potato salad, cold chicken,

cole slaw, stuffed eggs, provide a  
contrast with the food cooked out-  
doors, as well as being universally  
enjoyed. Here is a recipe for "Ham-  
burger Surprise:"

1 1/2 lbs. hamburger  
1 small onion, chopped fine  
1 1/2 teaspoons salt  
1/4 teaspoon pepper  
6 slices cheese  
6 slices tomato

Mix hamburger, onion and sea-  
sonings and form into twelve wide  
thin patties. On half of the patties  
place a slice of cheese and a slice  
of tomato. Cover with the remain-  
ing patties and pinch edges to-  
gether. Cook over hot coals on a  
grill or in a slightly greased fry-  
ing pan.

For information on outdoor  
cooking, please write or call at the  
office for the free booklet on "Out-  
door Cookery."

## District Two W. I. Convention

(Continued from Page 1)

"The end of a perfect day" and Miss Vivian Hopp, accompanied by her mother sang most delightfully. "How are things in Glocamara."

In the report on the number of members in each branch, Newbrook reported an increase of 11 new members during the past year.

### AMBER VALLEY SOLO

Mrs. J. Bowen of Amber Valley favored the group with two vocal numbers "Just a closer walk with Thee" and "Amazing Grace."

Mrs. S. E. Thorne of Fort Saskatchewan director for District 2 in addressing the ladies took for her subject "Money." In her remarks, Mrs. Thorne advised against trying to raise money for too many projects but to strive to choose projects relating to the needs of the community. She reminded her audience that though the WI members came from many different churches and for "home and country."

Mrs. Thorne advised that when seeking for new members, those who would carry their own weight and be really interested in the work of the WI should be sought for. She also suggested to be always on the alert to find openings for organizations in new districts.

In the handicraft display, Boyle won the silver tray, having 40 points, Meanook was second with 35 points. Mrs. N. Kosham of Abee won the Salada Tea prize for the embroidered tea cloth. Judges for the handicraft were Miss B. Cunningham assisted by Mrs. D. C. Raitt, both from the Home Economics Dept, U of A.

In the course of her address, Mrs. Myrtle Roberts, AWI vice-president thanked the branches for their co-operation in arranging the Conference at this time to fit in with her plans following the luncheon for the Queen.

### BRINGS GREETINGS

Mrs. Roberts brought greetings from the past president, Mrs. T. W. Howes.

In choosing "Reports" as her topic, Mrs. Roberts gave some very timely advice on making up reports. Points stressed were: make reports brief but do not omit any pertinent facts, compile them at home and

have them ready before the meeting, branch reports need only be single copies but Constituency reports should be in triplicate. In news reports, names are important, the name of the branch, where the meeting is held, name and initial of hostess and name of the speaker should be included, roll call topics should be noted, tell what projects were discussed, give names of committees, give facts, give figures, and give information, give names of new members and if honoring anyone, give their name.

Mrs. Roberts stressed the importance of looking after the needs of your own Institute and not becoming a collection agency for all organizations who might ask for help. She pointed out that the WI is the only organization affiliated with the Cancer Society. She also mentioned a number of projects which the WI is interested in such as the AWI fund, ACCW travel fund, mental health, Arthritic Society, Girl's Clubs and others.

### ABEE INVITATION

The Abee branch extended an invitation to hold the 1960 Conference in their district.

A gift was presented to Mrs. J. E. Brown of Meanook, who though 78 years of age is one of their most active members and this year won 30 of the 35 points for Meanook in the handicrafts exhibit.

It was decided to call a District

business meeting to be held in Boyle, at which time Mrs. Bolton will meet with the delegates and handicraft convenors. At this time the advisability of choosing a course from the Dept of Extension to use as a study will be decided.

Mrs. H. G. Strong thanked the ladies for the gift of a life membership pin. Mrs. H. A. Macdonnell of Meanook also thanked the group for their gift in recognition of her faithful service as secretary for the past four years.

The door prize, a lovely vase was won by Mrs. Helen Radomsky of Newbrook.

### 32 YEARS' SERVICE

Recognition was tendered Mrs. Lee of Boyle for 32 years of membership in the WI.

At the close of the afternoon session, lunch was served by the hostess branch and the ladies departed to their homes inspired with the desire to do more in the coming year to interest others, not only in the work of the WI in their home district but to put into practice the help they had received through the inspiring talks to make their "Home and Country" a happier, healthier and more interesting place to live.

## JOYCE M. SWITZER MARRIES IN PRETTY SUMMER WEDDING RITES

LAC LA BICHE — The United Church, Lac la Biche was the scene of a pretty wedding Aug. 8, when Joyce May Switzer became the bride of Jack W. Campbell. Rev. S. Munro officiated at the service for the only daughter of Mr. and Mrs. Wilmot Switzer of Lac la Biche and the only son of Mr. and Mrs. Wm. Campbell of Atmore.

The church was decorated with summer flowers and the guest pews were marked with sweetpeas and white bows.

Escorted to the altar by her father, the bride was charming in a waltz length gown, the bouffant skirt being fashioned of ruffles of net over satin. The bodice was of lace with lily point sleeves and a sabrina neckline. Her fingertip veil was held in place by a tiny satin headpiece. Her jewelry was pearl ear rings and she carried a cascade bouquet of red roses and stephanotis.

Attending the bride were Charlotte and Pauline Sampietro of

Cloverdale, B.C., cousins of the bride.

They wore identical gowns of white nylon with blue floral designs, fashioned with bolero's. Their headpieces were in white as were their accessories. They carried colonial bouquets of yellow baby mums and carnations.

Attending the groom were Mr. Ronnie Verklund, Edmonton, cousin of the groom and Jene Stanchfield of Atmore. Ushers were Herbie Switzer, brother of the bride and Freddie Verklund, Edmonton, cousin of the groom.

At the reception for 150 guests at the home of the bride's parents, Mrs. Switzer received her guests wearing a sheath dress of green eyelet linen. Her accessories were in white and her corsage was of red roses. The groom's mother wore a grey and pink silk gown with white accessories. Her corsage was pink carnations.

Rev. S. Munro was Master of Ceremonies and Ernie Shanks proposed the toast to the bride.

Following a short honeymoon,

## Health Through Chiropractic

In these days of international discord and tension we read and hear much about the best defence against this "ism" and that "ism". Experts in their various lines keep ourselves secure against attack from without and subversive activities from within.

Actually the best defence of any country is the good health of its citizens. Only a nation that is strong physically can withstand for any length of time either the nerve tension of a cold war or the physical hardships for a shooting war. This places upon every Canadian the direct responsibility of keeping himself and herself in the best physical condition.

We can all help ourselves to health by following a few simple rules of conduct and self-discipline. Observing these rules will eliminate much of the illness which afflicts the race, and they require nothing but self-effort.

1. Keep Your Spine Straight. When the body is erect the organs are not cramped, and the nerve lines are less subject to pressure where they branch out from the spine. Stooped shoulders cause a cramping of the heart, lungs, and liver, thereby reducing their vitality and making them more liable to disease.

2. Eat Natural Foods. The closer foods are to the condition in which nature produced them the more nutritious they are. Raw fruits and vegetables should be included in the daily diet. Eating natural foods will pay dividends in better health.

3. Get Plenty of Rest. Overwork is a killer. Fatigue fills the body with poisons. Sound sleep and plenty of it restores weary bodies. Keep your spine straight when you sleep.

4. Control Your Emotions. Habitual anger produces toxins in the blood and raises the blood pressure above normal. Fear and worry are two words that mean slow death. Nursing the emotions of resentment, hate, malice, and revenge has a bad effect on the body.

Keep Right Mental Attitude. You feel as you think. Avoid depressing thoughts. Think health talk health, expect health, and you will HAVE HEALTH.
